

# ORANET F

## MULTI-PURPOSE DETERGENT MULTI-PURPOSE CLEANER AND DEGREASER FOR BIOLOGICAL PART WASHERS

### DEFINITION

Water-based degreaser for all mechanical metal parts to be degreased in heated part washers. Can be used with our ORAZYM 5327 micro-organisms.

### ADVANTAGES

- More effective thanks to special, powerful surfactants.
- Solvent-free. Free from VOCs, does not damage the ozone layer.
- Dissolves grease, oil, carbon residue, sludge, carbon deposit etc.
- Can be used hot in our dedicated 700091 and 700091XS part washers.
- Safe on plastics and varnishes.
- ORANET F is the ideal substitute for solvent-based degreasers.

#### Operating method:

**536 ORANET F + ORAZYM 5327 at 38°C converts hydrocarbons into CO<sub>2</sub> + H<sub>2</sub>O.**

**The bath is continually refreshed and does not become saturated.**

**It last a long time**

**and is more effective.**

**Therefore, less waste is created.**

### APPLICATION FIELDS

- ORANET F is particularly suitable for cleaning metals (iron, steel, stainless steel, aluminium, etc.) by hand or in a bath.
- **Can be used for cleaning crude steel and aluminium.**
- Clean unfinished or painted metal chassis (steel, stainless steel, copper).
- Clean rotors, stators, and circuit breakers.
- Cleaning the gearbox.
- The ideal alternative to solvent-based part washers.

Head office

Parc Industriel de la Plaine de l'Ain - 225 allée des Cèdres - 01150 Saint-Vulbas - FRANCE  
Tel. +33 (0)4 74 40 20 20 - Fax +33 (0)4 74 40 20 21 [www.orapi-maintenance.com](http://www.orapi-maintenance.com)

## TECHNICAL CHARACTERISTICS

---

Aspect ..... transparent liquid  
Colour ..... colourless  
pH ..... < 9.8  
Density at 20°C ..... 1.032  
Flash point ..... non-inflammable  
VOCs ..... 0 %

## INSTRUCTIONS FOR USE

---

- Can be used neat and hot in our dedicated 700091 and 700091XS part washers.
- Add **ORAZYM 5327** micro-organisms as soon as it starts up to ensure the optimum bioremediation of the oils and greases.
- Add one tablet as soon as it is switched on then, depending on your use, add one table every 4 to 6 weeks.

## PACKAGING

---

20 litre jerry can                      Ref. 2536O1                      x 1

## INFO

Collection of used solvents: please contact us.  
ORAPI handles everything.  
Collection, transport, destruction, treatment certificate.
