Information on Safety Data Sheets -  
Cosmetic products

Madam, Sir,

We hereby inform you that cosmetic products are governed by Regulation (EC) No 1223/2009 but are subject neither to the requirement of a Safety Data Sheet as defined in the Regulation (EC) No 1907/2006 ("Reach Regulation") nor to the classification and labelling required by Regulation (EC) No 1272/2008 ("CLP Regulation").

As such, we do not distribute Safety Data Sheets that may mislead the user on the safety of the use of cosmetic products which by definition are not dangerous products. The information required for the proper use of the product is given on the labels and on the technical data sheets.

Yours sincerely,

Christelle Sorin  
*Regulatory affairs manager*
